WHAT'S NEW?

Give Your Feedback for a Chance to Win

Did you attend the first Summer Concert, Rock Night, on July 15? We want to hear from you!

Visit coquitlam.ca/summerconcertsurvey and complete the event survey for a chance to win a \$50 Coquitlam Centre gift card. The survey will be open until 11:59 p.m., Sept. 16.

The next Summer Concert, Jazz Night, takes place on Friday, Aug. 5. Learn more at coquitlam.ca/summerconcerts.

HAVE YOUR SAY

Complete the Strategic Transportation Plan Survey

How we move people and goods in, through and around Coquitlam is changing. So it's time to update our Strategic Transportation Plan (STP).

The City adopted the current STP in 2012 and there have been significant changes since that time. The revised STP will take 18 to 24 months to complete. There will be several opportunities for public engagement over the course of the Plan's development, starting with a public survey available now at letstalkcoquitlam.ca/transportationplan.

The final STP will balance public feedback along with technical analysis, best practices, other City plans and strategies, as well as regional plans and strategies, budget and overall community need.

FITNESS AND FUN

Learn about Mason Bees

Join the Park Spark team for a workshop all about mason bees on Monday, Aug. 8 from 6 – 7 p.m. at Dogwood Pavilion (1655 Winslow Ave.). Learn about this native pollinator, including their habitat, favourite food sources, and how you can help care for them.

To register online, go to coquitlam.ca/registration and click Register for Programs. In the keyword search bar, type the Course ID# (96592) to view the program, or call 604-927-4386.

TRAFFIC HOT SPOTS

Summer Traffic Impacts

Look out for roadwork over the coming months, as City crews and contractors take advantage of warmer weather to bring improvements to the community. Always watch for work crews and equipment and obey all traffic control personnel and signs, including construction speed limits.

Sign up for Road Work and Construction NotifyMe direct emails at coquitlam.ca/notifyme. You will receive the latest details directly to your inbox.

KEEPING OUR COMMUNITY SAFE

Help Maintain Peaceful Neighbourhoods

Did you know our Bylaw Enforcement Officers can assist with noise and construction concerns? Construction related noise is restricted from 7 a.m. to 8 p.m. Monday through Friday, and 9 a.m. to 6 p.m. Saturdays. Workers are expected to behave in a respectful manner and refrain from playing loud music, using foul language, or otherwise disturbing the peace of the neighbourhood.

Please be considerate and do not create excessive noise that may disturb others including yelling, loud music, barking dogs and vehicle engine revving. Noise from equipment such as heat pumps and pool equipment can also be disturbing – placement of noise generating equipment in the rear yard can reduce noise heard by neighbours.

If you have a concern in your neighbourhood, please contact Bylaw Enforcement – we are here to help and to provide information and education to property owners and occupants.

LOOKING FOR A FOREVER HOME

Pets in Cars

As temperatures start increasing, remember to look out for our four-legged friends and think twice about bringing your pet on errands. Dogs cannot withstand high temperatures for long periods of time as they have no sweat glands and are only able to cool themselves by panting and releasing heat through their paws. Even parked in the shade or with windows open, the temperature inside your vehicle can reach dangerous levels and cause harm to your pet. Did you know that it takes as little as 10 minutes for a pet to suffer irreparable brain damage or even death? To report an Animal Care or Control Bylaw concern, call 604-927-7387 or email bylawenforcement@coquitlam.ca. Find more information at coquitlam.ca/animalcontrol.
