### What's New?

#### Shared E-scooters and E-bikes in Coquitlam

It's now easier to get around Coquitlam City Centre with the launch of two new e-scooter and e-bike sharing services, providing 450 e-scooters and 130 e-bikes for the City's pilot e-mobility program. These alternative, green transportation modes create a convenient form of active transportation around urban areas and transit hubs. They are an important part of achieving the proposed goals of the City's Strategic Transportation Plan, including 50 per cent sustainable transportation by 2050 and zero transportation GHG emissions.

Each e-scooter and e-bike has a helmet, speed limitations (maximum of 24 kilometres/hour) and geofencing technology to ensure the devices operate only within designated areas. Dates will soon be announced for in-person community micromobility education workshops, with the support of City staff and HUB Cycling.

To learn more about the pilot program and to download the service providers app, please visit [coquitlam.ca/escooter](http://coquitlam.ca/escooter).

#### Building an Inclusive Community

##### Supporting Accessible Community Events

Accessibility is at the forefront of the services that the City of Coquitlam provides and this includes creating events that are accessible for all. Coquitlam's Event Accessibility Checklist supports community event planners in delivering inclusive and accessible events. This tool helps identify potential barriers and opportunities for improvement in event logistics, so that everyone can fully participate.

Find the checklist and other helpful resources at [coquitlam.ca/AccessibilityChecklist](http://coquitlam.ca/AccessibilityChecklist).

### Fitness and Fun

#### Patio Concerts in the Rose Garden

Join us in the Rose Garden at Dogwood Pavilion (1655 Winslow Ave.) for the Patio Concert Series. Light refreshments will be provided. Upcoming performances include:

- The Dogwood Mixed Bag Band on July 19 (Course ID# 125224)
- From Ralph to Riches on Aug. 2 (Course ID# 124708)
- The Shoe Shakers on Aug. 16 (Course ID# 124706).

To sign up, visit [coquitlam.ca/registration](http://coquitlam.ca/registration) and click Register for Programs. In the online registration system, type the course ID# into the search bar, or call **604-927-4386**.

### Neighbourhood News

#### Good Neighbours Make Great Neighbourhoods

Coquitlam is a beautiful community of inclusive neighbourhoods where we all contribute to our outstanding quality of life. The City's Unsightly Premises and Boulevard Maintenance bylaws help property owners understand the expectations for maintaining properties in a manner that helps our community be safe and livable for everyone. Property owners, residents, developers and businesses all contribute by keeping properties tidy, in good repair and free from waste and debris.

If you have a question, or a concern, please contact Bylaw Enforcement:

- By email: [bylawenforcement@coquitlam.ca](mailto:bylawenforcement@coquitlam.ca)
- By phone: **604-927-3580**

We are here to help and to provide information and education to our residents.

### Did You Know

#### Improvements to Mariner Park Tennis Courts

Beginning in July, the existing tennis courts at Mariner Park (2985 Mariner Way) will be under construction. The work will include removal of the existing courts, followed by the installation of upgraded drainage, new tennis/pickleball courts and chain link fencing.

Although the trails and playground will remain open during construction, tennis and pickleball players are encouraged to try one of the alternative courts nearby:

- Blue Mountain Park (975 King Albert Ave.)
- Bramble Park – pickleball only (2775 Panorama Dr.)
- Poirier Civic Grounds Park (624 Poirier St.)

For more details and a listing of all courts, visit [coquitlam.ca/tennis](http://coquitlam.ca/tennis).
