Building an Inclusive Community

Recreation Accessibility Resource Guide

Coquitlam is striving to ensure that people of all ages, abilities and means have access to recreation opportunities. Our community-focused accessibility initiatives and recreation resources are outlined in our Recreation Accessibility Resource Guide, including adaptive programs and services, accessible facilities and equipment, and efforts to reduce barriers and promote gender equity. The online version of the resource guide is available at coquitlam.ca/accessibility, is designed for those using assistive technology and can be translated into other languages.

To learn more about how Coquitlam supports Recreation Inclusion, visit coquitlam.ca/RecAccess or contact our Community Services team at 604-927-6076 or CommunityServices@coquitlam.ca.

Fitness and Fun

Gain Confidence on the Ice in August

Have fun on the ice in Skating FUNdamentals for 3 to 5 years and 6 to 12 years this summer. Focusing on FUNdamental movement skills required for life-long ice sport participation, this program provides an opportunity to experience skating while developing self-confidence through fun games and activities. Note, there is no formal evaluation at the end of the program.

To learn more and sign up, visit coquitlam.ca/registration and click Register for Programs. In the online registration system, go to the Skating section and click Preschool or Child, then open the FUNdamentals dropdown to see available dates and times, or call 604-927-4386.

Neighbourhood News

Help Maintain Peaceful Neighbourhoods

The City's Bylaw Enforcement Officers are here to help with your noise or construction concerns. Construction-related noise is restricted to 7 a.m. to 8 p.m. Monday to Friday, and 9 a.m. to 6 p.m. on Saturdays. No excessive noise is allowed on Sundays or statutory holidays, but exceptions exist for home owners doing renovations between 9 a.m. to 6 p.m.

Workers are expected to behave in a respectful manner and refrain from playing loud music, using foul language, or otherwise disturbing the peace.

Everyone can be considerate to maintain a peaceful neighbourhood by limiting excessive noise that may disturb others like yelling, loud music, barking dogs and vehicle engine revving. Heat pumps and pool equipment noise can also be disruptive – it is important that they are located in areas with minimal impact on the quality of life of residents.

coquitlam.ca/GoodNeighbours

If you have a question, or a concern, please contact Bylaw Enforcement via BylawEnforcement@coquitlam.ca or at 604-927-3580 – we are here to help.

Keeping Our Community Safe

Summer Fire Safety

With the recent rains and cooler weather, we are now at a low fire-risk rating, and the barbeque ban is lifted.

Park visitors are asked to please remain vigilant in adhering to City bylaws and taking steps to reduce and limit the fire risk. To learn more about summer fire safety tips, visit coquitlam.ca/SummerFireSafety.

Looking for a Forever Home

Don't Leave Your Pet in a Hot Car

It's hot out there! Remember to protect your pet and leave them at home when you go out to do errands. Even parked in the shade or with windows open, the temperature inside your vehicle can reach dangerous levels and cause serious harm in a short period of time. Leaving your pet unattended in a hot vehicle can cost you much more than a \$500 fine. To report an Animal Care and Control Bylaw concern, call 604-927-3580. Find more information at coquitlam.ca/AnimalControl.
