This will also mean the whole of the work, tools, materials, labour, equipment, travel, and all that is required to be done, furnished and performed by the Contractor;

**“Shall” “Must” “Will” “Mandatory”** means a requirement that must be met;

**“Site”** means the place or places where the Services are to be performed

**“Supply” “Provide”** shall mean supply and pay for and provide and pay for.

## 4 INSTRUCTIONS TO PROPONENTS

### 4.1 Acknowledgement

The City acknowledges with gratitude and respect that the name Coquitlam was derived from the hə́hǵəmínə́h (HUN-kuh-MEE-num) word kwíkʷə́lə́m (kwee-KWET-lum) meaning “Red Fish Up the River”. The City is honoured to be located on the kwíkʷə́lə́m traditional and ancestral lands, including those parts that were historically shared with the ǵícə́y (kat-zee), and other Coast Salish Peoples.

### 4.2 Purpose

The purpose of this RFP is to invite Proposals from professional, qualified, experienced companies for the provision of **Eagle Ridge Pool Repair – Phase 1**.

### 4.3 Proposal Submission

Proponents should complete and submit the information requested in this RFP document on the Proposal Submission Form or in a format that has been approved and is acceptable to the City.

### 4.4 Instructions to Proponents

- a) Proponents are responsible to inspect the existing site(s) and shall fully understand the difficulties and restrictions for execution of the work under this Contract. Interpretations by the Proponent of the meaning of any section of the Contract drawings and specifications herein prior to submitting a price for the Work shall not remove the responsibility of completing the Work as per the directions of the City, including all costs associated with that Work, should the Proponent's interpretation be incorrect.
- b) Prior to submitting a price for the Work, the Proponent must seek clarification from the City for any items within the drawings and specifications that may appear to be unclear or conflicting.
- c) Prior to bidding, Proponents should visit, inspect, and familiarize themselves with the site(s) and of everything and of every condition potentially affecting the works to be executed, so that the execution of the Contract by the successful Proponent is founded and based upon the Proponent's own examination, information, and judgment. Failure to visit the site(s) prior to the Proposal Closing Date will in no way relieve the successful Proponent from the necessity of furnishing any material or performing any work that may be required to complete the work in accordance with the conditions and specifications without additional cost to the City.
- d) It shall be the responsibility of the Proponent, by personal inspection of the site(s) of the works, examination of the Contract documents, calculations, tests, and by requesting any required clarifications from the City, to become satisfied with respect to the quantities, quality, and practicability of the work. The Proponent must be aware that any information from the City was and is approximate and speculative only and cannot in any manner be warranted or

guaranteed. If the Proponent fails to make a proper investigation and examination of the site(s) and the work they shall signify by entering into the Contract that they are willing to assume all risk of the work proving more onerous than was contemplated and/or assumed when the Contract was signed.

A complete set of RFP and Contract documents will include:

- i. Request for Proposals Documents
  - ii. Proposal Submission Form
  - iii. Appendices
  - iv. Addendums as issued
- e) Figure dimensions of a drawing shall take precedence over measurements scaled from the drawing and large-scale drawings take precedence over those of a smaller scale. Supplementary drawings and specifications supersede their antecedents. Addenda drawings take precedent over all drawings. Addenda specifications take precedent over all specifications. In case of conflict between figured dimensions on a drawing and the dimensions of a specified product, the dimensions of the specified product will govern. The drawings and specifications complement each other and anything called for by one will be as binding as if called for by both.
- f) All information requested for the Proposal is to be completed by the Proponent on the supplied forms only and shall be based upon the whole of the specifications and Contract documents, without reservation. A Proposal that does not include all of the above sections, completed as specified herein, may be rejected.
- g) The selected Proposal shall supply all materials, equipment, installation, commissioning, and construction necessary for the successful starting and completion of the project in accordance with the drawings and specifications herein. It shall be the responsibility of the Proponent to include in the submitted Proposal amount sufficient amounts to cover the cost of the work and materials required to complete the Work but not specifically noted in the drawings and/or specifications. It is assumed that all taxes, duties and levies have been included in the Proposal amount.
- h) Complete sub-contracting of works will not be approved; however, segments of work involving special skills may be sub-contracted.
- i) The Proponent must indicate the names of the Proponent's senior staff for the project, specifically identifying the project superintendent, and the names of the major sub-contractors and the work they will be performing.
- j) The Proponent must carefully examine the Proposal Documents and worksite(s). The Proponent may not claim, after the submission of a Proposal, that there was any misunderstanding with respect to the requirements and conditions imposed by the City.
- k) There will be no opportunity to make any additional claim for compensation or invoice for additional charges that were not considered and included in the

Proposal price submitted, unless the City, at its sole discretion, deems that it would be unreasonable to do so, or there are additional work requirements due to unforeseen circumstances.

- I) All information in this RFP Document, Drawings, Specifications, Site Visit and Investigation, and any resulting Addenda will be incorporated into any Contract between the City and the successful Proponent, and therefore must be considered by the Proponent in preparing their Proposal.

#### 4.5 Prices

Prices shall be all-inclusive and stated in (Canadian Funds). Prices shall remain FIRM for the completion of the Services.

#### 4.6 Requested Departures

The Proponent acknowledges that the departures requested in the Proposal Submission Form will not form part of the Contract unless and until the City specifically consents in writing to any of them. The City may not consider any departures not stated in the Proponent's Proposal Submission.

#### 4.7 Evaluation Criteria

- a) The City uses Microsoft Word to aid the transfer of Proponents information to an Instructions for Proposal Submission and Attachment Referencing

The City uses Microsoft Word to streamline the transfer of Proponent information into an evaluation document. Responses on the Proposal Submission Form should provide direct answers or concise summaries of any referenced attachments. Where attachments are necessary, each response should summarize the relevant information and clearly indicate where the City can find the corresponding details within the attachments, specifying precisely, for example, "see Section X, subsection Y, paragraph Z, on page N."

- b) Submission Format and Content Authenticity

Lower scores may be assigned if Proposal Submission Forms:

I. Non-conforming

- Are not submitted in Microsoft Word format.
- Rely solely on references such as "see section X in the attached document" without providing summaries.

II. Authenticity and AI Generated Content

- The City preference is for Proposals to be original and directly aligned with the requirements outlined in this RFP. Proposals containing boilerplate, non-specific, or AI-generated content may receive a lower score.
- Proponents must demonstrate a clear understanding of the City's needs by providing detailed, tailored responses, including

methodologies. Proposals lacking sufficient detail and originality may result in a lower evaluation score.

c) Evaluation Criteria and Points Allocation

Each proposal will be evaluated based on the following criteria:

| Proposal Evaluation Summary                                    | Maximum Points to be Awarded |
|--|------------------------------|
| <a href="#">Corporate</a>                                      | 20                           |
| <a href="#">Sustainable Benefits and Social Responsibility</a> | 10                           |
| <a href="#">Technical</a>                                      | 35                           |
| <a href="#">Financial</a>                                      | 35                           |
| <b>Total</b>   | <b>100</b>                   |

d) The criteria for evaluation of the Proposals may include, but is not limited to:

**Corporate Experience, Reputation, Capacity and Resources**

- Business and technical reputation and capabilities; experience, financial stability, capacity and resources
- Value added benefits
- Successful completion of relevant projects referenced within the last 5 years
- Sub-contractors
- Staff qualifications and experience
- Health and Safety

**Sustainable Benefits and Social Responsibility**

- Sustainable benefits
- Reconciliation
- Social Responsibility

**Technical**

- Methodology, set-up and execution of the work
- Quality Assurance and Safety
- Risk factors
- Disposal and reuse
- Ability to comply with the stated specifications and requirements
- Schedule and Completion Date

**Financial**

- Total Price
- Labour Rates and Equipment Rates

e) Proposal Comparison

These criteria will be used to determine best overall value to the City. Proposals will be compared to select one or more that are most advantageous.

f) Reference Checks and Interviews

Upon selection of one or more lead Proponent(s):

- References may be contacted
- Interviews may be conducted
  - As part of the evaluation of Corporate Experience

The City reserves the right to check references on other projects even if they are not specifically listed. Information obtained from references will be confidential and will not be disclosed to any Proponents.

g) Additional Evaluation Considerations

These criteria will be used to determine best overall value to the City as well as any other criteria that may become evident during the evaluation process.

The City may, at its discretion, request clarification or additional information from a Proponent with respect to any Proposal and the City may make such requests to only selected Proponents. The City may consider such clarifications or additional information in evaluating a Proposal.

h) Proposal Compliance and Rejection

Incomplete Proposals or Proposals submitted on forms other than the Proposal Submission Form may be rejected.

The City reserves the right to reject without further consideration any Proposal which in its opinion does not meet the criteria it considers essential for the Work outlined in this RFP.

Where only one Proposal is received, the City may reject such and re-issue the RFP on a selected basis.

i) Disclosure of Information

Proponents agree the City may disclose names of Proponents and total award amount, however, unevaluated results, unit prices, rates or scores will not be provided to any Proponents.

#### 4.8 Project Timeline

Estimated timelines for the project are:

**Project Site Made Available to the contractor: September 8, 2025**

**Substantial Completion Date: April 17, 2026**

**Final Completion/Ready-For-Takeover: April 30, 2026**

Upon award, the work on this project shall progress until fully completed.

#### 4.9 Specifications and Alternatives

Wherever the Specifications state a brand name, make, name or manufacturer, trade name, or Supplier catalogue number, it is for the purpose of establishing a grade or standard. It is not intended to rule out competition from equal brands or makes. If goods other than that specified is offered, it is the Proponent's responsibility to provide information in its Proposal that enables the City to confirm equivalency and acceptance.

If the Proponent cannot meet Specifications, the Proponent may identify and offer an alternative which it believes to be an equal or better alternative.

Proponents shall clearly indicate any variances from the City's Specifications or conditions and attach descriptive literature. Local application of the product and reference required.

### 5 **SCOPE OF SERVICES**
